

**INTERNATIONAL JOURNAL OF CURRENT RESEARCH IN
CHEMISTRY AND PHARMACEUTICAL SCIENCES**

(p-ISSN: 2348-5213; e-ISSN: 2348-5221)

www.ijcrpps.com

Coden: IJCROO (USA)

VOLUME - 4 ISSUE- 3 (MARCH - 2017)

CONTENTS

| S. NO | ARTICLES | PAGE NO |
|-------|--|---------|
| 1 | Characterization of Modified Arjunarishta B.Santhosh kumar, Manickam Diwakar, R.Sri kamatchi priya, Dr. Shyama subramaniam | 1-5 |
| 2 | Physicochemical Characteristics of Surface Water in Vellore District J.Komathi, Dr.A.Thaminum Ansari, Dr. A. Balasubramanian | 6-10 |
| 3 | Analysis of the Siddha drug <i>Gowthamar chooranam</i> using FTIR and SEM Techniques. D.Prakash, G. Anitha, V.Velpandian, N.J.Muthukumar, V.Banumathi | 11-13 |
| 4 | Scientific Evaluation Of Presence Of Functional Groups And Metals In Herbo-Mineral Siddha Formulation " <i>Nagarasingadhi Chooranam</i> " Using Sophisticated Modern Techniques Such As FTIR And ICP-OES B.Poongodi , V.Velpandian | 14-17 |
| 5 | Scientific validation of <i>Dhadhu virthi kuligai</i> for its spermatogenesis activity in wister albino rats by ethanol induced method J.Rathinam, M.Murugesan | 18-25 |
| 6 | Comparative analysis of oral <i>Candida albicans</i> rate in healthy people and people with HBSAg ⁺ referring to blood transfusion organization in Ahvaz in 2008 Shahsiah Samira, Alavinezhad Parnian, Torabizadeh Seyed Mohammad, Eravani Shiva, Azizi Arash, Kasraniya Hadi, Jadidi Meysam | 26-29 |
| 7 | Interaction of Human Serum Albumin with Methotrexate: Stability and Structural Analysis Nematollah Gheibi, Hossein Piri, Zohreh Hashemi | 30-38 |
| 8 | Review on Antimicrobial, Antioxidant, Cytotoxic activity and Phytochemical analysis of <i>Drynaria quercifolia</i> and <i>Decalepsis hamiltonii</i> Pargavi. B and T.Sivakumar | 39-45 |
| 9 | GC-MS Analysis of an Ayurvedic medicine "Modified Arjunarishta" B.Santhosh kumar, Manickam Diwakar, R.Sri Kamatchi Priya, Dr. Shyama Subramaniam, Dr. S. Subramaniam | 46-50 |
| 10 | Growth and Characterisation of Purine derivative Adenine Nucleobase. Beaula Premavathi, Dr.G.Madhurambal & S.Nelson Amirtharaj | 51-56 |
